PROJECT SUMMARY

- Saved 70% in energy costs
- Annual savings of over \$15,000+
- 10 year product warranty
- 20 year life expectancy
- \$110,000+ net savings after 7 years

SOLUTION

Radiance Energy proposes industry custom solutions. Our team identified the most efficient performance LED fixtures available, certified exclusively for indirect tennis lighting with a sleek design to match the facility aesthetic of Vancouver Lawn Tennis & Badminton Club. The products installed have a rated life upwards of 100,000 hours with a 10-year warranty. Design was just as important for the bubbles and indoor tennis courts as energy savings and product quality, so the Radiance team ensured a sleek design with even lighting temperatures and output.
